

TO-BE PROCESS NOTE

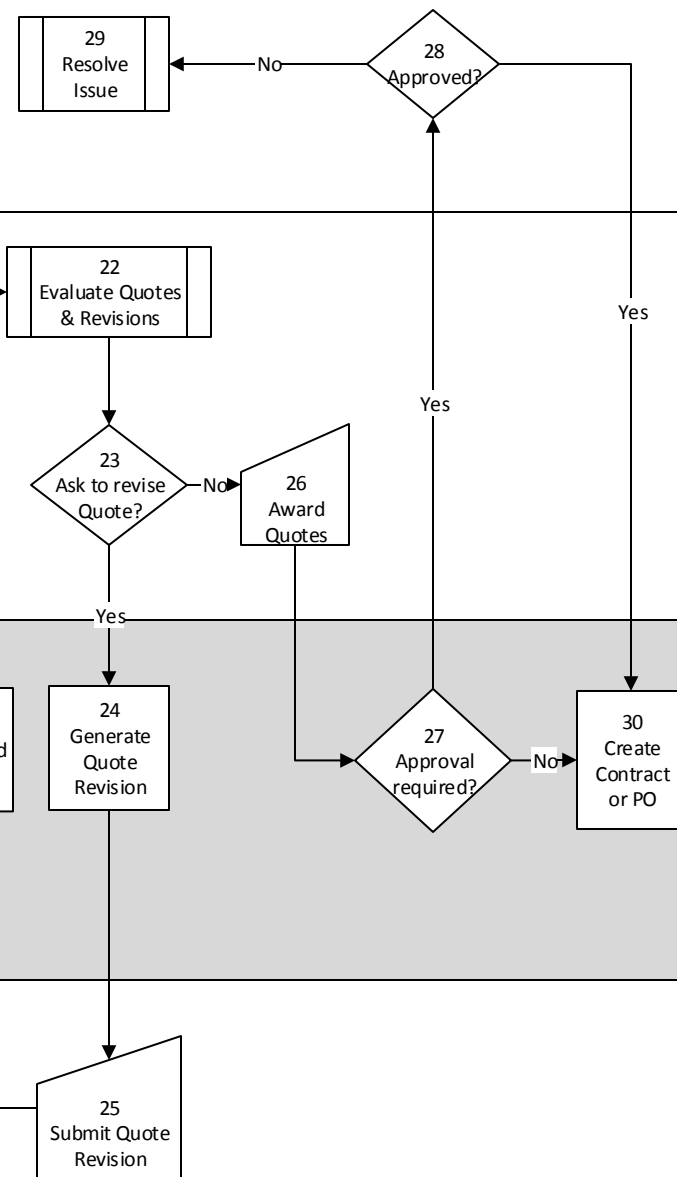

There are no changes expected from Integration or Enhancements to ProcureAZ

Approver

Purchasing

ProcureAZ

Vendor

Quote, Evaluate and Award in ProcureAZ

Process continues from Create and Distribute Bid in ProcureAZ (#11) or with decision to Amend Bid (#16).

11. Vendor views Bid; continue to #12.
12. Vendor determines whether to ask a Question of the Bid.
 - a. If Vendor decides not to ask a question, skip to #18.
 - b. If Vendor enters a question at the Vendor Portal, continue to #13.
13. ProcureAZ updates Bid Q&A with Vendor questions and Purchaser answers; continue to #14.
14. ProcureAZ notifies Purchaser of new Bid Question; continue to #15.
15. Purchasing answers Bid Questions; go back to #13.
16. If a Bid Amendment is required, Purchasing creates a Bid amendment; continue to #17.
17. ProcureAZ notifies Vendors of updates to the Bid; go back to #11.
18. Vendor submits or resubmits a Quote as often as desired until Bid Opening Date/Time; continue to #19.
19. ProcureAZ determines whether current time is before or after the Bid Opening or Revision Close Date/Time.
 - a. If current time is before the Bid Opening or Revision Close Date/Time, hold at #19.
 - b. If current time is at or after the Bid Opening or Revision Close Date/Time, continue to #20.
20. Purchasing opens Bid; continue to #21.
21. ProcureAZ creates Bid Tab from Quotes; continue to #22.
22. Purchasing evaluates Quotes and Revisions using an offline process; continue to #23.
23. Purchasing decides whether to request Quote Revisions from one or more Vendors.
 - a. If Purchasing decides not to request a Quote Revision, skip to #26.
 - b. If Purchasing decides to request a Quote Revision, continue to #24.
24. ProcureAZ generates a Quote Revision and notifies Vendor; continue to #25.
25. Vendor may complete the Quote Revision and submit it until the Revision Close Date/Time; go back to #19.
26. Purchasing Awards one or more Quotes from Bid; continue to #27.
27. ProcureAZ determines whether approval is required.
 - a. If approval is not required, skip to #30.
 - b. If approval is required, continue to #28.
28. Approvers decide whether to approve the Award.
 - a. If an Approver disapproves the Award, continue to #29.
 - b. If Award is fully approved, skip to #30.
29. Approver works with Purchasing to resolve issue; restart or end process as needed.
30. ProcureAZ creates a Contract or PO from Awarded Quote; end process.
